

# RHAM SPORTS BOOSTERS

## Board Meeting Agenda- August 14 2017

### Something Simple 7:30

**Attendees: Vin Colonna, Steve Turco, Mary Cochefski, Dan Barry, Frank Milone, Lori Tarka, 2 guests**

- **Welcome/ Public Comment**
- **Committee Reports: Secretary-** 6/26 minutes approved

**Treas-** Our balance is \$14,386.41. We received \$2200 in sponsor monies from Farmers Ins. Not sure if that was for 16-17' or 17-18'. Vin stated he took down banners and are stored in concession stand. Guests asked what the money was for on top of Pay to Play. It was explained that Pay to Play monies go to offset the Athletic expenses such as transportation, uniforms, fees, coaches, etc. Our money is used in those cases where teams have a need that's not being met by the administration and also to promote Athletics at RHAM. Gentleman worked for BellTown Motors and they may be interested in sponsorship.

- **Open Positions- Membership, Communications-** still open
- **Operations update- Address change, Website changes**  
We now will be using Po Box 399 for mail set up w post office. Vin met with Seth Molofsky for many hours last week going over options for the website and domain hosting Hes been doing all this for free. We cant update the site easily, no email/content manager, no membership options. Going to new Wild Apricot site- includes all of that- new website- easily updated by RSB member, Online Membership Join and Payment processing, Event tickets online processing, CRM contact manager to communicate with members, minutes page, team links. Easy member renewal process for following years. Automatic integration from previous excel spreadsheets and will print lists. Vin checked with one of ticket takers and they would be thrilled to use a list.

Our current cost is \$140 per year through Lunar Pages. The new site will be \$432 per year so an increase of \$292. The cost to set up the new site is a one time fee of \$300. A draft of the site will be sent out to the board for final approval.
